Reception in Greely Hall Foyer

Since its establishment in 1877, Fort Huachuca has been at the center of southwestern military history. The Huachuca Mountains at our shoulder have witnessed the arrival, in the high Arizona desert, of the columns of the U.S. Army in 1846 opening the trails to the California gold fields; the Soldier-scientists who followed in their wake to add to the bounty of knowledge; the brief collision of blue and gray clad Soldiers of a divided nation; the American Army that captured our Apache warriors like Cochise, Victoria and Geronimo; the Buffalo Soldiers who pursued Mexican desperados across our southwest border and those same Buffalo Soldiers who also trained two infantry divisions for fighting in World War II; the birth of electronic warfare; the coming together of a headquarters for U.S. Army Intelligence; and the training of UAS pilots to maintain situational awareness over the battlefield. Under the watch of the timeless Huachuca's more than a century of change has swept the valley below. Progress has been made in uniforms, weapons, technology, tactics and doctrine. But as much as the story of Fort Huachuca is about this, it is also about those things which are as constant as Huachuca Peak on the horizon—the Soldiers' values which form the bedrock for Huachuca heritage.

THE SIGNAL CORPS MARCH

From flag and torch in the Civil War,

To signal satellites afar.

We give our Army the voice to give command,

On battlefield or global span.

In combat, we're always in the fight,

We speed the message day or night.

Technicians too, ever skillful, ever watchful,

We're the Army Signal Corps.

U.S. ARMY

"The Army Goes Rolling Along"

Verse:

**March along, sing our song, with the
Army of the free.
Count the brave, count the true, who
have fought to victory.
We're the Army and proud of our name!
We're the Army and proudly proclaim:**

First Chorus:

**First to fight for the right,
And to build the Nation's might,
And the Army goes rolling along.
Proud of all we have done,
Fighting till the battle's won,
And the Army goes rolling along.**

Refrain:

**Then it's hi! hi! hey!
The Army's on its way.
Count off the cadence loud and strong;
For where're we go,
You will always know
That the Army goes rolling along.**
